OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 27 December 1972

25X1A 1. (Secret - GLC) Jim Woolsey, Senate Armed Services Committee staff, spent the morning at Headquarters receiving a strategic briefing from Mr. Bruce Clarke and his staff. Later at lunch here with Messrs. Brandwein, [redacted] he was most appreciative of the information given him and the time of the briefers involved.

2. (Confidential - GLC) George Murphy, Joint Committee on Atomic Energy staff, called today to let me know he had talked with General J. R. Brickel, Deputy Assistant to the Secretary of Defense (Atomic Energy), about statements made by their office to the effect that Murphy was putting pressure on them to fulfill a request the Committee staff had made to DIA for a copy of NIE 11-14. Brickel told Murphy their must have been some mistake, that as far as he knew Murphy's name had not been mentioned. Brickel apparently did indicate to Murphy, however, that they have such a request from Colonel Seymour Shwiller, of the Committee staff, and said this was being taken up through the Atomic Energy Commission.

3. (Confidential - GLC) At his request I dropped by the office of Frank Slatinshek, Chief Counsel, House Armed Services Committee. He 25X1A gave me a copy of the F.A.S. Newsletter issue on the intelligence community and asked if we would give him our comments on this issue as soon as possible next week. I have asked Messrs. Thuermer, Tweedy, [redacted] and the offices of DDI, DDP, DDS&T, and General Counsel to review this material and give me their advice as to the parts of the article which they feel are appropriate for comment by their offices. These comments will then be combined into a unified paper for Slatinshek.
